PROFESSIONAL SUMMARY

Strategic Brand Designer with over 5 years of experience delivering compelling brand identities, marketing visuals, and digital product designs. Skilled at translating business goals into strong visual systems across print, social media, and UI platforms. Passionate about growth, strategy-driven design, and creating meaningful brand experiences.

PROFESSIONAL EXPERIENCE

Independent Creative Designer

January 2025 – Present

- Developing advanced brand identity systems and UI design projects
- Collaborating with startups and growing businesses on visual strategy
- Designing scalable visual assets for digital marketing campaigns
- Expanding expertise in product design and user-centered experiences

Brand Designer

Bao Travels & Tours – Lagos, Nigeria

2024 – 2025

- Developed a comprehensive brand identity system from the ground up for a travel and tourism company
- Designed high-impact marketing collaterals including brochures, social media visuals, and promotional materials
- Created a cohesive visual language aligned with the brand's market positioning and target audience
- Delivered compelling campaign creatives that elevated brand visibility and audience engagement
- Ensured brand consistency across all digital and print touchpoints throughout the project lifecycle

Graphics Designer

S.O. Okeowo Digital Press – Lagos, Nigeria

2021 – 2023

- Delivered diverse design solutions for multiple client brands within a fast-paced print and digital production environment
- Created brand-aligned marketing materials including flyers, banners, posters, and digital assets across various industries
- Managed multiple concurrent design briefs while maintaining high quality and meeting strict deadlines
- Collaborated with the production team to ensure designs translated accurately from screen to print
- Built strong client relationships through consistent delivery of professional, creative, and on-brand design output
