

ABDULSALAM IDRIS

Strategic Brand Designer & Web Developer

Lagos, Nigeria • abdulsalamidris620@gmail.com • +234 814 457 8047 • ov3rlord-x.github.io/Pixelbyte

PROFESSIONAL SUMMARY

Strategic Brand Designer and Web Developer with 6+ years across brand identity, UI/UX, and front-end development. Founder of PIXELBYTE, delivering complete visual and digital systems — from logo and brand guidelines through to responsive, coded websites — for startups, SMEs, and travel/construction sector clients. Comfortable owning a project end-to-end: strategy, design, build, and client delivery.

CORE SKILLS

Brand & Visual Design: Brand Identity Systems, Logo Design, Visual Identity, Style Guides, Typography, Marketing Collateral, Campaign Design, Social Media Design, Print Design, Visual Storytelling

UI/UX & Product: Figma, Wireframing, Prototyping, User-Centered Design, Design Systems, Responsive Design, Usability, Digital Product Thinking

Web Development: HTML5, CSS3, JavaScript, React, Responsive Web Design, Website Deployment, UI Implementation, Git, REST APIs

Tools: Figma, Adobe Photoshop, Adobe Illustrator, CorelDRAW, Adobe Acrobat

Delivery & Strategy: Client Management, Cross-functional Collaboration, Project Management, Creative Strategy, Problem Solving

PROFESSIONAL EXPERIENCE

Independent Creative Designer | PIXELBYTE

Lagos, Nigeria • January 2025 – Present

- Design brand identity systems and lead full-cycle visual strategy for startups and small businesses *(Design)*
- Design and develop responsive websites end-to-end, from wireframe to deployment, using HTML5, CSS3, and React *(Dev)*
- Architected and shipped a full-stack Flask/PostgreSQL wellness and budgeting app with authentication and PWA support *(Dev)*
- Build interactive UI/UX prototypes and multi-screen design systems in Figma for fintech and e-commerce concepts *(UI/UX)*
- Create scalable visual assets — logos, style guides, social templates — for digital marketing campaigns *(Marketing)*
- Manage the full client lifecycle — discovery, positioning, design, delivery — as founder of a two-person creative studio *(Business)*

Brand Designer | BAO Travels & Tours

Lagos, Nigeria • 2024 – 2025

- Built a full brand identity system from the ground up for a travel and tourism company, including logo, guidelines, and stationery *(Design)*
- Designed marketing collateral — brochures, social visuals, promotional materials — aligned to a defined market position *(Design)*

- Maintained brand consistency across all digital and print touchpoints throughout the project lifecycle *(Design)*
- Delivered campaign creatives that measurably increased brand visibility and audience engagement *(Marketing)*

Graphics Designer | S.O. Okeowo Digital Press

Lagos, Nigeria • 2021 – 2023

- Delivered design solutions for multiple concurrent client briefs — flyers, banners, posters, digital assets — across industries *(Design)*
- Partnered with the production team to ensure print-accurate execution from screen to final output *(Design)*
- Built repeat client relationships through consistent, on-brand, deadline-driven delivery *(Business)*

FEATURED PROJECTS

- MindBudget — full-stack wellness & budgeting web app (Flask, SQLAlchemy, PostgreSQL, PWA); designed the brand mark and built the mood-tracking and budget-alert UX end-to-end *(Dev)*
- NexTrade — simulated crypto trading platform concept (React, Tailwind, CoinGecko API); designed and specified the full front-end architecture and interaction design *(Dev)*
- VAULTE — 8-screen "Dark Luxury Minimal" fintech design system (Figma); defined typography, color, and component architecture for a mobile banking app *(UI/UX)*
- ACRES Buildwell — brand identity system (logo, company profile, print collateral) for a construction firm *(Design)*
- BAO Travels & Tours — see Professional Experience above for full scope *(Design)*
