Introduction.

About Us

Acres Buildwell Pvt. Ltd. (ABWL) is a premier real estate development and construction firm with a legacy of delivering architectural excellence across India. **Since 1988**, we have been at the forefront of transforming skylines with innovative, high-quality residential and commercial projects. Our unwavering commitment to timely delivery, superior craftsmanship, and client-centric professionalism sets us apart in the industry.

Backed by a leadership team with over **50 years** of combined expertise, ABWL has earned a reputation for trust, reliability, and visionary development. We take pride in creating landmarks that not only redefine urban living but also contribute to the cultural and economic growth of the communities we serve.

Our Journey

Founded in **1988**, ABWL began as a trusted name in low-rise construction in Delhi/NCR and has since expanded into high-rise residential and commercial developments. Over the decades, we have successfully executed multiple prestigious projects, consistently upholding our core values:

Quality Excellence:

Uncompromising standards in materials and execution

Timely Delivery:

On-schedule project completion

Client Trust:

Transparency and integrity in every endeavor.

Introduction.

Brand Guidelines

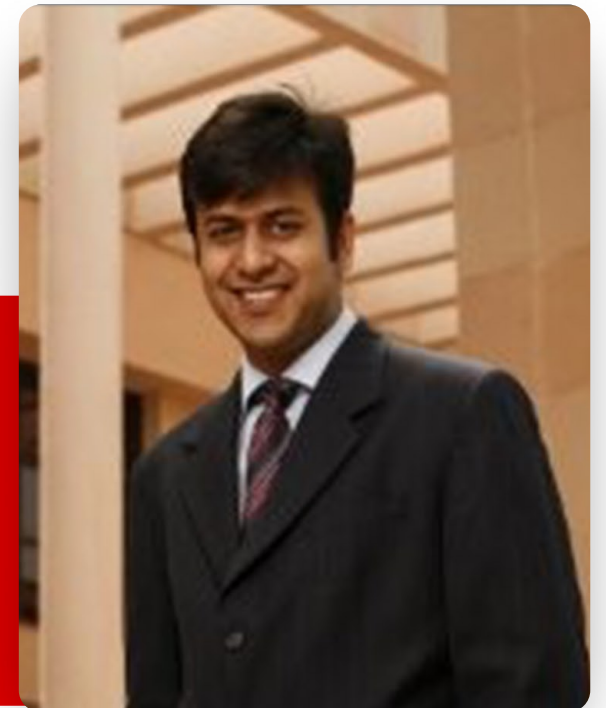

Mr. Dinesh Jaju {Founder}

A seasoned industry veteran with over 40 years of experience, Mr. Dinesh Jaju has been instrumental in shaping ABWL's success. His expertise in structuring and delivering large-scale residential and commercial projects has established ABWL as a name synonymous with reliability and innovation.

Leadership.

Mr. Jayvardhan Jaju {Director}

An alumnus of Delhi College of Engineering (DTU) and IIM Indore (PGP '09), Mr. Jayvardhan Jaju brings a strategic, data-driven approach to ABWL's growth. With prior experience at Deloitte and Citigroup, he combines global best practices with a passion for sustainable, future-ready real estate development. Under his leadership, ABWL is poised to become a nationally recognized brand in construction and design.

Our Vision

At ABWL, we don't just build structures—we create legacies. Our mission is to:

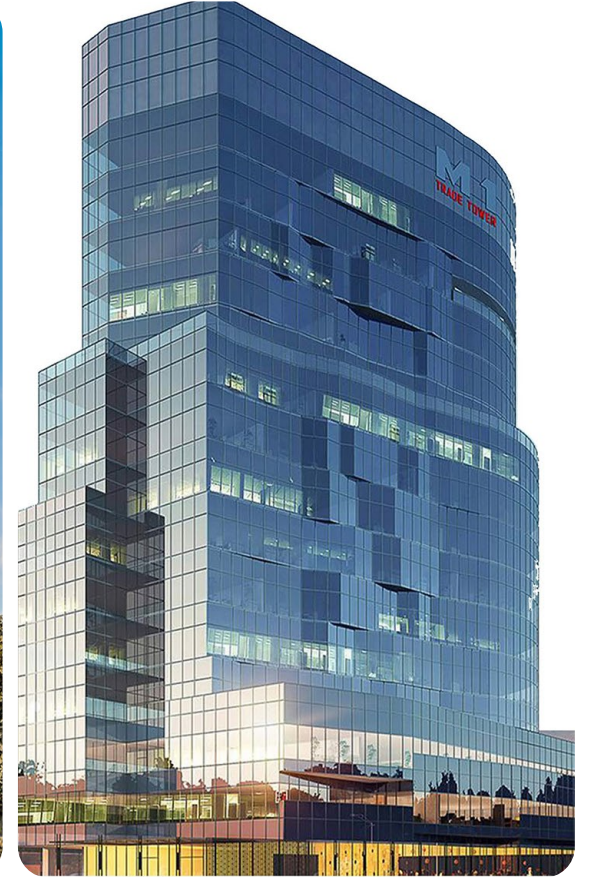

- Design and construct iconic, sustainable developments.
- Exceed client expectations through innovation and integrity.
- Contribute to India's urban evolution with world-class infrastructure.

With a proven track record and a forward-thinking approach, Acres Buildwell Pvt. Ltd. remains committed to shaping the future of real estate in India.
