3 Applications

Logo Usage

1. Red Gradient Logo (White on Red Background)

Used for promotional materials, campaigns, or ads where a bold and vibrant impression is needed.

Reflects energy, excitement, and adventure.

2. Primary Dark Logo (White on Black Background)

Best used on dark backgrounds, official documents, banners, or social media headers.

Ensures high visibility and a premium, professional look.

3. Light Logo (Black on White Background)

The standard and most versatile version, suitable for documents, stationery, and general use.

Offers a clean, minimal, and professional appearance.

4. Grey Logo (Black on Light Grey Background)

Designed for subtle or neutral applications such as watermarks, internal documents, or branded merchandise.

Maintains visibility without overpowering the design.

5. Primary Full-Color Logo (Default Brand Logo)

This is the core logo of BAO Travels n Tours. It should be the first choice for all official communications, website headers, and brand identity materials.

Logo Usage

Do's

1. Always use the official logo files provided.
2. Maintain proper clear space around the logo (at least the height of the "B" in BAO).
3. Use the logo variations according to background colors (dark, light, red, or grey).
4. Scale the logo proportionally without distortion.
5. Place the logo in prominent, uncluttered areas for visibility.

Don'ts

1. Do not stretch, squeeze, or distort the logo.
2. Do not change the official colors of the logo.
3. Do not place the logo on busy or patterned backgrounds that reduce legibility.
4. Do not add shadows, gradients, or effects to the logo.
5. Do not rotate or tilt the logo in any way.
6. Do not alter or separate the airplane icon from the wordmark.

BRAND STYLES

Color Combination

#FF7800 Bright Orange			
#670000 Deep Burgundy	#FFEDED Soft Pink	#902307 Wine Red	#FFFFFF Pure White

1. Gradient – #670000 → #FF7800

This gradient blends deep burgundy with vibrant orange to represent the passion of travel and the excitement of adventure. The darker shade (#670000) conveys strength, reliability, and professionalism, while the bright orange (#FF7800) symbolizes energy, movement, and new experiences.

Usage: Ideal for hero banners, backgrounds, promotional designs, and attention-grabbing visuals.

2. Soft Pink – #FFEDED

A light, airy shade that reflects warmth, care, and comfort. It brings a sense of friendliness and calmness to the brand, balancing the boldness of the gradient tones.

Usage: Backgrounds, secondary elements, and subtle highlights to create a welcoming feel in both print and digital designs.

3. Wine Red – #902307

A strong, elegant red that symbolizes confidence, trust, and premium service. This color reflects the dependable nature of BAO Travels n Tours, while also connecting to the excitement of embarking on new journeys.

Usage: Headlines, key brand accents, and important highlights where sophistication and impact are needed.

4. Pure White – #FFFFFF

White represents clarity, openness, and professionalism. It balances the strong brand colors by offering simplicity and space, ensuring that designs remain clean and easy to navigate.

Usage: Text backgrounds, clean layouts, and to provide contrast with the darker and more vibrant colors.

Primary Typeface: Perpetua:

Perpetua is the official typeface of BAO Travels n Tours. It communicates elegance, trust, and timelessness, perfectly aligning with the brand's goal of providing reliable and premium travel experiences. Its serif design makes it ideal for headings, formal documents, and brand messaging where sophistication is required.

Headings & Titles: Use Perpetua Bold or Semibold (e.g., OUR MISSION, OUR VISION).

Body Text (Print): Use Perpetua Regular for longer passages to maintain a refined look.

Secondary Typeface: Montserrat

Montserrat is introduced as the digital companion to Perpetua. Modern, clean, and highly legible, it complements Perpetua by bringing a contemporary and approachable feel to the brand. This makes it perfect for websites, social media, and mobile applications.

Headings (Digital): Montserrat Bold for web banners, ads, and social content.

Body Text (Digital): Montserrat Regular or Medium for readability across screens.

Tone: Professional yet friendly, ensuring accessibility without losing brand elegance.

Typeface Combination

Print Materials (e.g., brochures, official documents): Perpetua as the main font for both headings and body text.

Pattern

The BAO Travels n Tours brand pattern is designed using a repeated arrangement of the official logo, rotated at 30 degrees to create a dynamic and modern diagonal flow. This angled repetition symbolizes movement, travel, and forward momentum, which aligns with the brand's identity as a company that connects people to destinations.

Color Variations:

Red Gradient Background with White Logo: Bold and energetic, ideal for promotional materials, packaging, and branded merchandise.

White Background with Wine Red Logo: Clean and elegant, suitable for stationery, presentations, and subtle branding applications.

Usage:

The pattern can be used as a background in print and digital designs, packaging, merchandise, or brand collaterals.

It should always maintain the 30-degree angle to preserve consistency and brand identity.

Ensure the pattern is not overcrowded—logo spacing must remain even for clarity and elegance.

The BAO brand pattern not only reinforces recognition but also adds a stylish and consistent visual language that strengthens the overall brand presence.
